Butch Batts And The SouthBound Band

Among the many musical performers during the 2016 Levy County Fair was Butch Batts And The SouthBound Band. Comprised of Butch Batts, lead vocals and lead guitar, Jeff Million, lead vocals, lead guitar and keyboard; James Wood, bass guitar and Bob Uhlar on drums, this band performed original music and songs from a variety of genre. In the photo above, the order (from left) is Million, Wood, Uhlar and Batts.

Seen performing on stage Sunday afternoon (April 4) (from left) are Million, Batts and Wood.

And given that drummers are often not seen or in the background, here is a shot of Uhlar at his drum set just before the first performance of the band on Sunday. The band has been very helpful during the past years at the fair by providing support for lighting and acoustics. The band was great in the performances at the fair, as they always are.
