Car Show Enhances Farmer's Flea Market

On Saturday (Oct. 22), Tri-County Cruisers President Doug Mitchell makes sure that all of the people with cars and other vehicles, and all of the people who like looking at cars and other vehicles, have a good time at the Chiefland Farmer's Flea Market.

This chair is dedicated to the memory of the recently deceased Robert 'Bob' Bair, a longtime Tri-County Cruisers member who gave a lot to the club over his years of association with the group. President Mitchell said the trophy for the next Best of Show contest will have a picture of the winner from this Best of Show Contest. The two biggest trophies of the day are the Best of Show and the Sponsor's Pick. Sonny Griffeth, owner of Chiefland Farmer's Flea Market, is the sponsor. It was a beautiful day to enjoy the amazing deals found on farm fresh produce and everything else that can be found in a flea market as well. At this time of year, the Chiefland Farmer's Flea Market is very fall- and Halloween-oriented and next weekend promises to be another amazing time to visit. There was a constant stream of onlookers during the show that adds to the fun found at the Chiefland Farmer's Flea Market, which is located at 1206 N. Young Blvd. (U.S. Highway 19) in Chiefland. It is open Friday, Saturday and Sunday from 8 a.m. to 4 p.m. This flea market has a clean, inviting environment and among the many things that can be found there are antiques, appliances, produce, jewelry, tools, furniture, plants and groceries. In this car show, there were many vehicles.
