## Santa Accepts Letters

Every child who lives in the 32626 or 32644 Zip Code area and wants to send Santa Claus a letter, and potentially have him write back, is asked to send him a letter in care of the Chiefland Post Office, 222 W. Park Ave., Chiefland, FL 32626. Another method to get the letter to Santa is to put it in the mailbox that is located in the lobby of the Chiefland Post Office. No postage is required on these letters if they are sent from a mailbox that serves a Chiefland address. A helper of Santa Claus said that the jolly old elf knows every language, but for the letters coming to the Chiefland Post Office, he requests that they

be limited to either English or Spanish. Here is how the letter should be addressed:

Santa Claus stressed that he sincerely wants to reply to children as best as he can. And while Santa knows everyone's address and whether they are on one of the lists he keeps, he requires a RETURN ADDRESS so that he may respond to the young letter writers. Please remember, Santa Claus is accepting letters from children with Chiefland postal addresses via the mail, and no postage stamp is required on that letter; however any child can deliver a letter to Santa Claus by going into the lobby of the Chiefland Post Office and placing the letter in the mailbox that is in the lobby. All Letters Must Be Submitted By Dec. 19 For Santa Claus To See Them.
