WHS AJROTC Students Recognized

Williston High School's unit of the Army Jr. Reserve Officer Training Corps conducted its annual awards ceremony Thursday (March 31) and two recipients of awards were among the people attending the first evening of the Levy County Fair. Seen here, are Sabrina DaCruz, who earned a certificate as an eighth grader that completed the WHS AJROTC course of study for the year; and Ashley Stewart, who earned a Fifth Place Ribbon for shooting in the AJROTC. Stewart also earned a certificate from the National Sojourners. The certificate to Cadet Stewart notes that the certificate is in recognition of her demonstrating the highest attributes of Americanism and for her support of the United States as a member of the JROTC. The two young ladies are seen here moments after arriving at the fairgrounds on opening night.

As some of their colleagues were at the awards event, WHS AJROTC Cadet Bryan Tindale carried the American flag (left) and WHS AJROTC Cadet Tristan Hayes carried the Florida flag when those two young gentlemen served as the Honor Guard to be part of the opening ceremony for the 2017 Levy County Fair.
