Sheriffs Thank Senator

On Thursday (Oct. 5), many of the high sheriffs of counties in District 5 of the Florida Senate gathered in Columbia County to present State Sen. Robert 'Rob' Bradley (R-Fleming Island, Dist. 5 - Dixie, Gilchrist, Baker, Bradford, Clay, Columbia, Lafayette, Levy, Suwannee, Union and part of Marion counties) with an award for his efforts in supporting the Florida Sheriff's Association and the Florida Sheriffs. Senator Bradley was truly focused and supportive of legislation that effected law enforcement. He is always open to the concerns of the Florida sheriffs. Sometimes legislators become embroiled in heated legislation and aren't receptive to the knowledge from those who have expertise in the field. Sen. Bradley demonstrated that he is continually allowing input from the sheriffs of Florida. For his efforts, the sheriffs of the 5th District wanted to recognize him and present him with their Legislative Award. Rob Bradley, Columbia County Sheriff Mark Hunter, Bradford County Sheriff Gordon Smith, Baker County Sheriff Scotty Rhoden, Clay County Col. Craig Aldrich and Union County Sheriff Brad Whitehead.
