BELL -- The Bell High JROTC presented a Constitution Day program to Bell Middle School on Sept. 29.

The purpose of the program was to inform the middle school students about the process of the signing of the *United States Constitution*.

Bell JROTC Cadets Dakota Sherlock and MacKenzie Brantley read the United States Flag poem in their Class A uniforms, while colonial re-enactors performed. These included cadets Alissa Marangoni as the farmer, Jessica Coney as a soldier, and Balace Morrow as the drummer boy.
