LEVY COUNTY -- The biggest, most exciting day of the year for all school kitchen staff here in Levy County is the Thanksgiving celebration.

Every school and every food service employee puts 100 percent effort and love into this day. Their day starts at 3 a.m. baking off fresh yeast rolls made from scratch, making homemade sides with love, carving up turkeys, and making mouthwatering gravy.

Every year parents and grandparents are invited to join in the feast and eat lunch with their loved ones at each school. The Levy County School Food Service team would like to wish everyone a Happy Thanksgiving"
