Here is a video of the whole set, although the final six are best captured. There were about a dozen or so older, collectible cars and trucks in this convoy. The vehicles went west toward Fowler's Bluff. The video is a splice of two videos with the first being from one of the dash cams within the fleet of HardisonInk.com news vehicles and one is from a handheld Cannon video camera. Carter's Crossroads Convenience Store is located at the corner of State Road 345 and Levy County Road 347 between the city of Chiefland and the unrecorded subdivision known as Jemlands, the community of Rosewood, the community of Fowler's Bluff and the city of Cedar Key.
