Visitors wrap up Year 7 wonderfully; Website shows new record

By Jeff M. Hardison © Feb. 2, 2018 at 9:08 a.m.

THE WORLD -- The number of unique visitors looking at stories, photos and videos on *HardisonInk.com* reflects a wonderful wrap up to Year 7 of the daily news website as it continues its growth going into its eighth year of existence.

Year 8 started yesterday (Thursday, Feb. 1) with coverage of a groundbreaking, a new office leader announcement and photography of a relatively serious crash scene – and all of that was after 4:30 p.m. on Feb. 1

Once again, monthly reports show *HardisonInk.com* is strong, according to two independent automated traffic-registering programs -- *Google Analytics* and *cPanel*.

There were 18,687 unique visitors in January to *HardisonInk.com*, according to these trusted third-party automated measuring devices.

Jeff Hardison, publisher and owner of *HardisonInk.com*, said that first he is thankful to God for all things.

Beyond that, he added, he is thankful for the continued growth, which shows a strong base of loyal readers, viewers and listeners as the daily news website moves forward along toward its eighth year of existence, which just started.

"Let's say in regard to **Year 8 and Year 7**," Hardison said, "it is **great and wonderful** respectively."

Not only is *HardisonInk.com* the best source for daily news, he said, this is also the best platform for advertising because of the traffic to the site.

"Private and public interests recognize advertising in *HardisonInk.com* is the best return on investment for money spent on advertising. This is nice for me to see as well," Hardison said. "I anticipate making offers to companies and individuals to help their businesses enjoy the benefits of advertising in my daily news website."

The numbers for January 2018 are shown in the graphic below:

Month	Unique visitors	Number of visits	Pages	Hits
Jan 2018	18,587	39,185	124,471	1,360,624

Hardison, a multiple award-winning daily and weekly newspaper writer and editor, and now publisher and daily news outlet owner, said he is pleased to see more individuals visiting the site every time the monthly reports show that fact.

The national advertisements will remain on the bottom of the pages, he said, because local advertisers are better served by being on the right side of the pages and in the body of the pages. The ads for four local Chambers of Commerce currently are at the bottom of the Community Page.

Following are the figures from two independent robotic programs for December of 2017.

UNIQUE VISITORS

The first gauge reflects Unique Visitors.

Webopedia.com defines unique visitor as "a person who visits a Web site more than

HardisonInk.com

once within a specified period of time." Software used for this report can distinguish between visitors who only visit the site once and unique visitors -- who return to the site.

The unique visitor is different from a site's hits or page views -- which are measured by the number of files that are requested from a site. Unique visitors are measured according to their unique Internet Protocol addresses, which are like online fingerprints, and unique visitors are counted only once no matter how many times they visit the site after they have visited it twice.

UNIQUE VISITORS

January 2018 – 18,587 (New All-Time Monthly Record)

The number of visits is as it says. This is the number of times that these visitors came to pages.

NUMBER OF VISITS

January 2018 – 39,185

Pages Viewed shows how many different pages the visitors looked at. This website has the Home Page, Police Page, Calendar Page, Business Page, Community Page, Life Page and the Leisure Page.

PAGES VIEWED

January 2018 – 124,471

What is a "hit?" When a viewer looks at a page, there are elements on the page that register a "hit." For instance, if there are four pictures on a page, then that may equal four "hits." Like all of the gauges, this is a measure of traffic.

HITS

January 2018 – 1,360,624 (almost 1.4 million hits)

"These figures mean there are more people each day who use *HardisonInk.com* as a source for information," Hardison said. "And they return daily. If your product or service is better than the competitors' products and services, then you will have better odds of being the manufacturer, farmer or service provider of first choice in any market."

HardisonInk.com continues to grow in readers, viewers and listeners (yes, the videos have sound). More and more business owners and other individuals are seeing that this is the best site for Levy, Dixie and Gilchrist counties' daily news.

This website is the best medium in this market to advertise, which is proved by annual increased revenue even though the price of ads remains stable since the site's inception.

HardisonInk.com has the Weather Bug on the Home Page for all current weather and forecasting needs, including radar and Weather Alerts. It has columns for quilt reports, Christian devotionals and more.

HardisonInk.com provides state news on the BUSINESS PAGE and other pages on occasion when it is merited.

CHECK OUT THE ARCHIVE

"I can't say enough about my wife Sharon Hardison," Jeff Hardison said. "She does so much for me it is incredible. One thing I need to bring people's attention to is our relatively new archive page. Go to any of the seven pages and find the ad for the archive page and click on it.

"A new window will open," he continued. "Just go to the month you want and scroll down. If you see a link that looks interesting, click on it. The newest addition is a direct link to all of the videos that have been published. Just go to the area on the page that says **CHECK OUT THE VIDEOS.**"

Videos can be viewed YouTube.com (https://www.youtube.com/channel/UC-O1OVdPjyfjI_PuqYrly7Q) and click on it. If you see any video you want to watch, click on it.
