LEVY COUNTY --The total destruction of the 2014 Jeep Compass that was the most recent newsmobile of *HardisonInk.com* was the result of a crash on March 11 in Chiefland.

A new newsmobile has been added to the *HardisonInk.com* fleet of vehicles now.

After visiting with people at a number of banks and credit unions, and after visiting with sales staff and looking at vehicles at many car lots, and elsewhere, including online, the choices were made for financing as well as which vehicle was to be purchased.

A silver 2008 Chrysler PT Cruiser was paid for in whole.

“Sharon found the car by shopping online,” Publisher Jeff M. Hardison said. “I visited the dealership on Saturday afternoon after covering the Dixie County Fly-In and Expo and before I went back to Dixie County that day to interview Camp Anderson Camp Director William Bloodsworth.”

Sales Associate Erick McDonald at Chiefland Chrysler Jeep Dodge Ram Fiat was very helpful in securing the vehicle for delivery on Tuesday (March 27).

“I want to say 'Thank you' to everyone who helped me make this choice,” Hardison said.
