## New Deer

**A baby deer (fawn) joins its mother and other members a small deer herd crossing a field of hay in the Tri-County Area of Levy, Dixie and Gilchrist counties on Friday (June 29).**

**The grass in this field is so high that it almost hides the youngest of this group.**

**One member of the group hears a sound and looks toward the area from whence it came.**

**The baby deer goes with the herd.**
