Deer!

A doe stood in the middle of a road somewhere in the Tri-County Area of Levy, Dixie and Gilchrist counties on Saturday (Jan. 5).

Noticing the oncoming vehicle, she went to the side of the road long enough for a motorist traveling in the Tri-County Area to take her picture with a short lens. Within a minute, the fleet-footed animal hopped a fence, disappearing from view and presumably dashing through the forest. The traveler, now parked on the side of the road, switches to a long lens, and idles up to where the doe had hopped the fence.

There she was providing a glamour pose and then a profile view before quickly darting into the woods where she blended with the background and disappeared.
