**In this video, Inky makes the selection of the winner.**

**Although the QuitDoc ad has since changed, here is an example of what winning contestants found on the Community Page on March 8. Notice Goldy's face replaces the normal cat face.**

Her name was selected by Inky the cat Hardison during a procedure at The Ink Pad where the names of all contestants were spread on the floor for either Inky or Goldy the cat Hardison (and senior mascot of HardisonInk.com) to choose.

Like the scores of other contestants, this winner qualified by finding the cats faces in various ads.

Following is a list of the correct answers.

March 7 - City of Williston - Calendar Page

March 8 - QuitDoc - Community Page

March 9 - The Whiz - Leisure Page

March 10 - Back Door Antiques - Home

Page

March 11 - Buddy & Fred's - Life Page

March 12 - Camp Valor - Police Page

March 13 - Wild Hog Race - Business Page

"I was happy to see so many people enter the contest every day," owner Jeff M.

Hardison said. "as is the case in these

contests, only one person could win. I appreciate everyone who competed."

This contest was another part of "Keeping it Fine in Year Nine" as *HardisonInk.com* continues to thrive in its ninth year of existence.
